TALENTS

Seek Quarry - After spending 1 minute mentally preparing, you choose a character who you can sense or who you've previously encountered. That character becomes your quarry until you choose to end this effect (free action) or select a new quarry. Additionally, you gain an advantage on tests made to find, attack, or study your quarry (such as the Gain Advantage action).

Killing Edge - While you wield a knife or sling, it has the Deadly and Quickdraw expert traits for you.
